Welcome to our comprehensive online course on the United Nations Sustainable Development Goals (SDGs), a transformative framework designed to address the world's most pressing social, economic, and environmental challenges. The 17 SDGs, adopted by all UN Member States, serve as a **universal call to action to end poverty, protect the planet, and ensure prosperity for all by 2030.**

This course is crafted to provide you with a **deep understanding of the SDGs**, their historical context, the rationale behind their creation, and the **critical role** they play in shaping a **sustainable future**. Whether you are an **educator, a policymaker, a student, a professional**, or simply a concerned global citizen, **this course is designed to empower you** to contribute meaningfully to the achievement of these ambitious goals.
