# educating on the SDGs

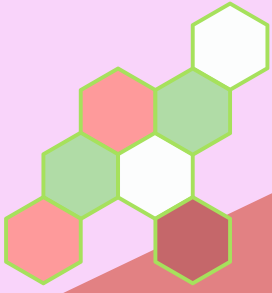

The project aims to **increase capacity in organisations** providing learning opportunities to adults by improving **educators' knowledge** and pedagogical competencies to deliver global education and improve the **global competence of citizens.**

## THE PROJECT

Increasing globalisation, an interdependent and digitally connected world, climate change and environmental degradation.

**Education has a crucial role** to play in ensuring that **citizens develop** new **skills** and meet challenges and **opportunities.** BIG PIC PROJECT helps adults become globally competent.
